From the President

GOOD NEWS -the club will re-open for play on Monday 29 March (subject to Government confirmation that all parameters have been met!!). We are working on this assumption and will be ready to resume using the same COVID guidelines as before lockdown.

The Rule of Six or members of two households will apply on each rink, which will allow singles, pairs and triples to be played. Social distancing will still have to be maintained so play will be on alternate rinks until all restrictions are lifted. Full details for play and booking will be in the next newsletter.

Dales have visited and re-glued all the green surrounds. Phil and Derek have been progressing cleaning the green and ditches. Locker rooms and toilets are complete and will be ready for use. Masks will be required inside the Clubhouse which will only be open for toilet facilities.

Thank you to those who have paid their membership for 2021. We look forward to welcoming everyone back and hopefully some new members.

Paul

Hi Everyone

The men's P and D section now have a new website which is in the process of being brought up to date www.panddba.co.uk Ladies stay the same www.pandwba.co.uk

As of the 6th March we have not received any information regarding the formation of the league structure or of the P and D and County competition formats for the coming season. We have been told this information should be available toward the end of March. Will email out as soon as we get it.

At the present time the Club will be open on Monday 29th March (as long as the guidelines do not change) No access to the clubhouse except for using the separate new ladies and gents toilets in the extension . The booking desk will be situated just inside the **new entrance door** which is past the old door on the right. Booking details for starting again will be given out in the next newsletter

Lockers :- Members have the same numbered lockers as before with printed names on the lockers . Please do not stick any labels or anything else on the lockers The locker number will be on the membership card as will the new lock code for entering the green.

Once again thank you to all members for their patience , please still keep to the present restrictions with sanitising and 2 metre rule and face masks etc.

Hopefully we can get back on the green and enjoy some bowling in a full season this time?

Stay safe

Derek.
